“TRADITIONAL” SENIOR PORTRAIT SESSIONS

Both of our traditional sessions offer the same style of photography. The only difference between them are the amount of clothing changes, the amount of backgrounds used and the amount of viewing proofs.

If you choose either of the traditional sessions, all of the viewing proofs are head and shoulders poses only. No full- or 3/4-length, close-up or perspective angle shots are taken. No props are permitted and no digitally created effects are layered in your viewing proofs. Outdoor portraits may not be added to these sessions.

THE DELUXE SESSION:

\$35.00 Sitting Fee

This session includes; two (2) outfits and two (2) backgrounds. Up to ten (10) portrait previews will be available for viewing. Allow up to 30 minutes for this session.

THE PORTRAIT SESSION:

\$25.00 Sitting Fee

This session includes one (1) outfit and one (1) background. Up to five (5) previews will be available for viewing. Allow up to 20 minutes for this session.

Viewing Traditional Session Images

ONLINE VIEWING: You may view your portrait images online through our password-protected webpage. This option requires a \$100 deposit, which must be paid before your images are placed online. The deposit is applied to your final invoice. There is no actual cost for on-line viewing. You will have 14 days to view your images. We recommend that you make the most of the 14-day period by keeping track of the images you like best. Please note, should we need to place your images back online for an additional 7-day period, a \$10 fee will be deducted from your deposit. When you are ready to place your order, please call to schedule an appointment. Your appointment will be 1½ hours. If we exceed the standard time frame, you will be charged \$15 per half-hour over the standard 90 minutes. Your deposit (less any applicable fees) will be applied to your order.

STUDIO VIEWING: No deposit is required for the studio viewing option; however, an appointment is required. You will have 1½ hours to view your images and place your order. Extended appointments will incur a \$15 charge for each additional half hour beyond the standard 90 minutes. If you decide to communicate with family and want to schedule an additional appointment you will be charged \$30 for the second 90 minute appointment. No-show appointments will incur a \$20 fee.

LET US HELP YOU PLAN

GLASSES: See your optometrist to borrow a pair of lens-less frames. You may be able to remove the glass but not all frames permit this. The glass will distort your face and create an unattractive glare.

SUNTANS: DO NOT attempt to tan the day before or the day of your sitting.

HAIR STYLES: It is best to try a new hair style well in advance of your session in case you are not pleased with it.

CLOTHING: It's okay to bring more outfits than your sitting permits, we will help you decide after viewing our backgrounds.

LADIES: Wear your make-up the way you like to see yourself, slightly heavier make-up is okay.

MEN: Shave a couple of hours before your sitting time, as this will allow for any razor burn to fade away.

BRING WITH YOU WHAT IDENTIFIES YOU !! (for the “Artistic” sessions only!)

Parents, bring baby photos or photos from youth activities. We can scan them and blend the current photo with the same theme. There is a \$10 fee for each scanned image.

OUTDOOR PORTRAITS

We utilize several local areas in town to capture a back street urban look, a country setting, or a simple but very attractive outdoor setting. Upon request, we will travel to other locations at a rate to be determined by the studio. If you desire outdoor photos to be taken at a specific location, please mention this when you schedule your session.

TRADITIONAL PHOTOGRAPHIC PREVIEWS

This method for viewing images is slightly more time-consuming and more costly. The preview catalog is not refundable and must be paid for in advance of its creation. A portion of this cost is applied to your order. The style of your photographic session determines the cost because some sessions have many more images for viewing than others. Regardless of the photographic session you choose, all preview catalogs require a \$300 deposit. When your order is placed, the cost of your proof book is deducted from your deposit and the remaining balance is then applied to your order.
